

# India International Science Festival - 2017

Special Issue – *New Guinness World Record*

- one thousand and forty nine (1049) students of 9 and 10 standards from twenty one (21) different schools in Tamilnadu gathered at the venue of IISF-2017 in Anna University to achieve the “*Guinness Record*”.
- The school teacher Mrs.Lakshmi taught the Biology subjects to those students and demonstrated the process of isolating DNA from Papaya fruits and emphasized the phenomenal impact of DNA in life.
- Judges from Guinness Book of World Records evaluated the program and declared it as a “New World Record”. The Guinness Book authorities handed over the respective certificate in this regard to **Dr. Harsh Vardhan**, Honorable Union Minister of Science and Technology, Earth Sciences & Environment and Forest & Climate Change.
